Kestrel Retail Group: Quarterly KPI Review Minutes (Q2 2026)

POL-05 | *Version 1.0* | *Effective 2026-07-10* | *Owner: Head of Data Governance*

Meeting date: 2026-07-10. Chair: Head of Data Governance. Attendees: Heads of Finance, Sales, Customer, Marketing and Supply Chain Analytics; Head of Digital Product.

Decisions

1. Customer Churn Rate v2 (KPI-007) is confirmed as live since 2026-04-01. v1 has been removed from all dashboards.

2. Active User (app 30-day) (KPI-020) is approved as Provisional, version 0.8. The Council asked for duplicate user ids to be fixed before certification.

3. Basket Size (KPI-008) certification is postponed to Q4 2026 because of the multi-pack unit counting issue.

4. Marketing ROI (ROAS) (KPI-015) stays Provisional until the attribution review closes.
